HOMECOMING 1998

It gives me such great pleasure to offer my greetings, in conjunction with the NCSD faculty, staff and students, to all in attendance today at NCSD 54th homecoming.

NCSDís annual homecoming celebration is a respected tradition because it is the best time for all to reunite from various places and root for our players, as well as pay respect to NCSD for their continuous academic and athletic excellence. It is also a time for all to see old friends as well as meet new friends which is what homecoming is all about. For those who grew up here at NCSD, welcome home!

I want to extend my deepest appreciation to the various homecoming committees for their dedication and hard work in planning such a special event.

To our participating athletes, the outstanding accomplishments are equaled by demonstrated qualities of healthy competition, cooperation and good sportsmanship. May both teams come out as winners!

Thank you for supporting North Carolina School for the Deaf and the Bears Athletic program. Go Bears!!

Christopher Hamilton
Athletic Director

Dear Friends:

On behalf of the North Carolina School for the Deaf Alumni Association, I want to welcome parents, teachers, students and friends to our Historic 54th Annual Homecoming in which we have many exciting activities planned. The activities that we can look forward to are the banquet, the Hall of Fame, the Saturday night entertainment, the crowning of our Homecoming Queen, and last, but not least, the football game with the Mississippi School for the Deaf. Homecoming weekend is a time where we can share memories of the past and create memories for the future.

Dear NCSD Parents, Alumni and Friends of NCSD:

On behalf of the North Carolina School for the Deaf students and staff, welcome back to our beautiful campus. It is with great pleasure to have you join us as we celebrate our 54th annual homecoming event.

I have observed that homecoming events at NCSD is a special time for students, parents, staff, alumni, and friends of NCSD. Throughout the homecoming week, a variety of activities are held to celebrate the rich and outstanding history of NCSD and the spirit continues as we gather once again for the 54th time.

This year's homecoming, once again, will feature excitement. The NCSD Bears will be playing the Mississippi School for the Deaf in both volleyball and football. The homecoming queen will be crowned. The day will be filled with events. I trust that you will enjoy meeting your former schoolmates, families, new friends, staff and students.

As you socialize and participate in various exciting events during the day, please do join the cheerleaders in rooting the NCSD Bears to play their best in volleyball and football. Welcome and have a great time.

Sincerely yours,

Gary E Mowl

Dear Alumni, Families and Friends:

As the North Carolina School for the Deaf celebrates its 54th Annual Homecoming Activities, may I extend to each of you a warm welcome on behalf of all students and staff. I would like to express appreciation to alumni, families, students and staff for your warm hospitality and cooperation. As one who has much to learn, it has been encouraging to see staff working together for the good of students.

We are pleased to have as Athletic Director, Mr. Chris Hamilton, formerly physical education teacher here at NCSD. There is a renewal of commitment to teamwork between residential services, the school, students, parents/guardians and the Athletic Department so as to provide consistent service as well as guidance. A renewal of spirit and dedication is evident among the athletes and coaches.

Thank you for your continued generosity and support. I/we pledge to you our best efforts to serve students and to be accountable for the resources, time and money, which you provide.

Please enjoy yourself and again "welcome" to "your" school.
